Mercantile Trust Tossers Win Championship of League

BRADEN BLASTS NEW ROAD HOPE

BANKERS DEFEAT RICHARD RADIOS FOR TITLE, 7-3

Early Lead Gained by Austin's Nine is Never Overcome
By Radios
LEFTY MURRAY HITS HOMER
Red McCarron Holds Radios to 7 Hits While Bankers Get 11

The Mercantile Trust company tossers are the 1925 champions of the Richmond City Twilight baseball league.
Dick Austin's scrappy Bankers earned their right to this title when they decisively defeated the Richard Radios, 7 to 3, in a hotly-contested game last night at the First street ball park. The contest was a post-season affair, the two nines having finished the regular season last month in a deadlock for first place.
MERCANTILE BETTER TEAM
The Bankers played the same high-class brand of ball that carried them to the top of the league during the regular season, and clearly proved their superiority over Carl Richard's entries in the race. The Mercantile tossers looked like champions from start to finish, making their hits count for runs and playing steady ball in the field.
Although the Radios were defeated, they were by no means disgraced.

MARSHAL NABS CHINESE WHO JUMPED SHIP

Martinez Chief Finds Celestials Hiding in Brush After "French Leave"
MARTINEZ, Aug. 21.—The richest "haul" to fall to the lot of a local peace officer in months was made this morning by Marshall C. H. Palmer when he caught the four Chinese who took "French leave" from the steamer Beravon at Port Costa early Thursday morning.

HIDING IN BRUSH
The four celestials were found hiding in the brush below the state highway along the bluff between Martinez and Port Costa.

TAKEN TO OAKLAND
The Chinese were brought to Martinez and later taken by Palmer to Oakland to be turned over to the master of the ship which Thursday night shifted from Port Costa to anchor off Goat Island.

SHIP FARED PENALTY
A reward of \$50 each had been posted for the apprehension of each of the escaped coolies who are precluded from going ashore and for whose escape the steamship company faced a heavy penalty.

GEN. DUMESNIL DRINKS TO HEALTH OF U. S. FLYERS WHO VOLUNTEERED TO FIGHT THE RIFF IN MOROCCO

Gen. Dumesnil is Chief of the French Army Air Service. He is shown clinking glasses with Colonel Sweeney, commander of the squadron of American aviators who volunteered to aid the French in their war against the Moroccan tribesmen.

MARCA DO BLAME S BROTHER WHO STOLE AFFECTIONS OF SPOUSE

MARTINEZ, Aug. 21.—Charging his common law wife with unfaithfulness and accusing his brother with being responsible for his troubles, Joe Marcado, who shot and killed Frances Zamora in Valona last Monday night at 10:20 o'clock, was placed in solitary confinement in the county jail in Martinez this morning upon his arrival from Redding where he was turned over the Contra Costa authorities Thursday night after being caught at Kennett.
JOSEPH WINS PLAUDITS
The quick capture of Marcado won for Deputy Sheriff J. M. Joseph the commendations of his chief in the Contra Costa criminal service. Joseph received a "tip" that Marcado at one time worked in the mines near Kennett, Shasta county. He promptly wired Constable C. W. Barker of Kennett and Barker, knowing Marcado years ago when the two were employed at the Bully Hill mine, went at once in search of the accused murderer.
ATTEMPTED TO ESCAPE
Marcado was located in a Mexican boarding house and recognizing the approaching officer attempted to escape down the hillside and hide in the brush, but after Barker had fired after him several times, he halted and surrendered. Joseph's prompt work in sending a special wire to Constable Barker is responsible for Marcado's capture long before the official circulars arrived at Redding.
Upon being advised of Marcado's capture, Deputy Sheriffs Joseph and Ralph Harrison left at 5 o'clock Thursday afternoon for Redding and arrived there at midnight left immediately on their return with the prisoner. Marcado was taken before Justice Frank L. Glass upon arrival in Martinez and informed of his rights after which he was "finger-printed."
BLAMES HIS BROTHER
Marcado talks freely of the shooting of Frances Zamora in Valona. He admits that he was never married to the woman although he had lived with her for nine years after meeting her in Utah. Marcado blames his brother for the domestic troubles which resulted in his having disagreements with the woman and for the latter occurrences which terminated in his entering the house Monday night in a jealous rage and when others who had been visiting Marcado during the evening left, the quarrel which ended in his drawing a gun and shooting twice, one bullet only striking the woman in the head. Marcado says he purchased the gun from a negro near Pittsburg last Saturday.

AMERICAN TOLL-BRIDGE BONDS ARE HEAVILY OVER-SUBSCRIBED

MARTINEZ, Aug. 21.—American Toll-Bridge bonds on the market in San Francisco were over-subscribed two to three times.
The issue consists of \$4,500,000 of first mortgage, 7 per cent sinking gold bonds, in denominations of \$500 and \$1000. They are dated April 1, 1925, and are due and payable April 1, 1945. They are redeemable on any interest date to and including October 1, 1927, at 105 and accrued interest.
Thereafter the premium decreases 1-2 to 1 per cent each year to and including October 1, 1931, and thereafter are redeemable at 102 1-2 and accrued interest.
The entire issue snapped up in less than two hours, as was the case, indicates the interest and knowledge the investing public holds for the enterprise of bridging the San Joaquin river and Carquinez Straits at Srockett.
This completes the financing plans for the two bridges owned by the American Toll-Bridge company, of which the Antioch bridge is nearly completed, and a large crew is occupied at the Carquinez structure. The placing of these bonds on the market was delayed awaiting the legalizing of an act passed by the last Legislature giving a time extension for the construction of such bridges, which prolongs the building terms of the franchise for the Carquinez bridge until 1927.

WIFE BEATER'S CASE UP TODAY

Woman's Screams Bring Help As Husband Reports Her Inane

Trial of Jerry Lanches, paperhanger and interior decorator of the West Side, accused of beating and imprisoning his wife, Mrs. Catherine Lanches, will be heard in the Court of Justice of the Peace John Roth this afternoon at 2 o'clock.
HEARD WOMAN'S CRIES
The arrest of Lanches came yesterday morning after Fred C. Read, employee of the Standard Oil company, heard the cries of Mrs. Lanches coming from the old, deserted St. Francis Hotel on 26 Cottage avenue.
POLICE INVESTIGATE
Read notified the police. Inspector Oliver Wylie and Captain B. V. Shirley went to the St. Francis to investigate.
LOCKED UP ALL NIGHT
They found Mrs. Lanches in rags, with her face and back badly bruised from blows from her husband, according to her statement. She said at 9 o'clock Thursday night Lanches beat her, tore her clothing to shreds so that she could not leave the building, and locked her up.
QUARREL OVER BUSINESS
The quarrel is believed to have resulted in Mrs. Lanches refusing to give up her real estate and insurance business in Oakland.
LANCHES GOES TO POLICE
While the search was going on for the woman, Lanches appeared at the police department, declaring his wife was insane and that he had locked her up. When his story and that of his wife was compared, it was decided by authorities to hold Lanches for investigation. He is still in jail, pending the raising of \$500 bail.

French Will Ask Long Time to Pay Off Debt

INSISTANCE ON PRINCIPLES LAID DOWN BY DAWES COMMISSION TO BE VOICED BY FRENCH ENVOYS COMING TO UNITED STATES NEXT MONTH

(By C. F. Bertell)

Universal Service Staff Correspondent
PARIS, Aug. 21.—Following are the terms which the French debt funding commission will submit to Washington in September. Immediately after landing from liner Paris:

- 1—France recognizes her indebtedness to America in toto, without any distinction between the debt incurred during the war and the borrowings after the armistice.
 - 2—Payments will be offered extending over a very long term of years, not less than ninety.
 - 3—A short moratorium will be asked to enable France to finish reconstruction of the devastated regions.
 - 4—While no cancellation of any portion of the capital debt will be demanded, Washington will be asked to annual the interest on the total, accumulated since the borrowing to date.
 - 5—France will demand that a nominal rate of interest be charged on the actual war debt, but will accept a reasonably low rate on debts incurred after the armistice.
- 6—France will insist upon the adoption in her case of several clauses which the American commission incorporated in the Dawes plan. Among these is the right to ask for a revision of any decision on her ability to pay at any moment, should certain events make fulfillment practically impossible. Among such possible events, for instance, would be a total failure of crops or the total collapse of the Dawes plan.
- 7—It will be insisted that the problem of transferring large amounts from France to America be given special consideration in order to avoid possible danger to the franc in exchange, if at any moment such transfer should obviously constitute a serious threat. The above clause, suggested by American members of the Dawes commission, is also incorporated in the Dawes plan.
- The above terms constitute a very big effort on France's part at the present moment, according to the opinion of both French and American experts, who are well versed in French affairs.

SPANISH WAR VETERANS READY TO SOUND 'ATTACK' ON BANQUET

Report of the Admiral Dewey camp United Spanish War Veterans committee on the entertainment for the building committee of the Memorial hall, September 19, was made at the meeting held last night. It was announced that everything was progressing toward the finishing touches. The invitations to the affair will be sent out next week.
Admiral Dewey camp opened its fall season with a good attendance after its annual monthly vacation last night. A good amount of business was transacted.
John T. McCormick, sergeant, Company B Eleventh Infantry, was taken into the camp as a new member. An invitation was received and accepted to attend and take part in the San Francisco Diamond Jubilee during the week of September 9. Dewey camp will be represented with full colors.
Reports were made on the trip to Yountville last Sunday, and proved to be interesting. It was announced that E. E. Thomas, who got lost at that city, has again returned to Richmond, and everything is now in good shape.

BANK OFFICER BELIEVES CARD WAS SENT BY MISSING CASHIER

MARTINEZ, Aug. 21.—Reports were being circulated in San Francisco this afternoon to the effect that Tarantino had returned to his home in Pittsburg, but this was denied by officials of the First National Bank at Pittsburg.
HIS HANDWRITING
The handwriting on the post card received yesterday by City Manager Ray Watkins, is apparently that of Sebastian Tarantino, missing Bay Point bank manager, according to Watkins, who has made a careful examination of the writing on the card.
MORE MYSTERY
The receipt of the card has added a deeper shroud of mystery to the already mysterious disappearance of Tarantino which occurred last Saturday, after he had cashed a check for \$1,000 at the Pittsburg National Bank.
NO SEARCH MADE
Peter Tarantino, brother of the missing bank cashier, yesterday appealed to District Attorney A. B. Tinning to have a search made for his brother. Tinning, however, stated that nothing could be done unless foul play was feared. Just as plans for an organized search were being formulated, came the message supposedly from the missing man.

State Finds Limitation on Fund Leaves No Hope of New Construction

EXAMINER BUREAU, SACRAMENTO, Aug. 21.—The State Highway Commission's last chance of receiving any State funds with which to construct new roads during the next two years went glimmering today when H. Robert Braden, State Board of Control budget maker, flatly asserted that he will not permit expenditure of an appropriation approximating \$5,000,000 which the recent Legislature wrote into the Governor's budget bill.
NOT PROPER CHANGE
Braden declared the item is not a proper charge against the State general fund, pointing out that the Highway Commission merely submitted it to the Legislature as a memorandum of anticipated federal aid money. He held the \$5,000,000 was included in the budget bill as

Loss of Long Tresses Leads To Death Leap

(By Universal Service)
CHICAGO, Aug. 21.—Despair over the loss of her beautiful long hair when she had it bobbed in a boyish shingle drove 17-year-old Rose Fallon of Evanston to take her life. Her body was taken from the Chicago river today.

For three months, ever since she had her hair bobbed, Rose has lived the life of a recluse. She gave up her job and refused to leave her home and join the crowds of her young friends.

"I am sick of myself," she told her mother. "I'll never go out again." Daily she viewed her self in the mirror, waiting for her curls to grow long. The time it took preyed on her mind and early this week she disappeared from her home. Her parents feared that she would attempt to take her life. Her footprints were found on the bank of the drainage canal not far from her home.

Two boys found the body floating in the canal today and a few hours later it was identified as that of Rose Fallon.

Neil, of 404 Twenty-first street, suffered serious injuries yesterday when he fell from a ladder upon which he was working while on his vacation in Los Angeles, according to word received here last night. It is not known whether his condition is serious. Neil is employed by the Standard Oil company here as a boxmaker.

The Only Difference Is Important:

A merchant in New York, who, like ourselves, does not believe that so-called "sales" safeguard the interests of the public, says that "the only difference, in our opinion, between an ordinary every-day hold-up and a reduction sale is, that in the first you pull a gun on a stranger whereas in the second you pull it on a friend."

"What a store loses in a sale," this merchant says, "is paid for by the excessive prices charged regular patrons. We simply don't do business that way."

Nor do we!

POLYTECHNIC BUSINESS COLLEGE OFFERS TRAINING OPPORTUNITIES

The Polytechnic Business College located at Thirteenth and Madison streets, Oakland, has been established more than a quarter of a century and has trained thousands of young men and women for responsible positions in business world. The college is now entering upon its twenty-eighth year and offers young men and women better opportunities than ever before.

A good business education is the best stepping stone to success for those who cannot attend college. The business world affords dignified clean employment. Nothing is more permanent. No other profession offers greater security or greater opportunities for improvement. No other career can guarantee greater rewards.

NOTE: GRIND NOT NEEDED
Business does not require from four to six years for qualification. Neither does it require a long apprenticeship at low wages. A few months special training will prepare the average young man or young woman for success in the business world.

The Polytechnic Business College owns and occupies its own building and is offering a very reasonable rate of tuition to those who wish to enroll. A high school education, excellent as it is, does not offer finishing courses in technical business training so thoroughly and efficiently.

REWARD FOR AMBITION
There is a good position awaiting every ambitious young man or young woman in America today, who is qualified in business and office details. Those who are qualified to enter into commercial activities and assume responsible positions are well paid for their services. The commercial world is calling more than ever before for intelligent, wide-awake ambitious young people who are prepared to render faithful and efficient service.

To reach the top—earn a good salary—to grow and develop into a real executive, one must be able to render service promptly, accurately and efficiently.

TRAINING REQUIRED
One must thoroughly understand business procedure, business management, office details, business applications, business law, finance credits, accounting, etc. And all this demands more than an ordinary high school education. It requires a good business education preparatory to entering business pursuits.

If one is possessed of wealth, no matter in what form, a good business education is necessary even for the proper safeguarding of one's own fortune. If one is poor and must rise by personal effort and industry, a good business education is the surest road to success toward a career of independence.

Rotarians Hear Talk on Vaccines

Progress of science in the use of vaccines and serums in the prevention of disease was told the members of the Rotary club by Dr. Robert Cutter, of the Cutter Laboratories, Berkeley, yesterday.

Interesting was his account of the discovery of small pox vaccine. He told how it was noticed that English milkmaids were immune from the disease, and how it was discovered that the vaccine could be procured from organisms of cows.

Dr. Cutter paid a high tribute to Dr. C. R. Blake, city and county health officer, when he said that there was no era the size of Contra Costa county in the world where school children have been so generally immunized against disease.

The chairman of the day was Will Fraser. Mrs. Violet Williams rendered musical numbers with Miss Ruby Williams at the piano.

The picture includes shots of New York City never before seen on the screen—and they're the real thing, having been filmed "on the spot."

A comedy and novelty subject complete the program.

Glenn Hunter Has Rapid Climb In Movies

Glenn Hunter, featured with Bessie Love in "The Silent Watcher" at the Richmond theatre, has achieved meteoric success both on the stage and screen. His initial stage appearance was in 1915, with the Washington Square Players, New York. Subsequently he supported Rose Coughlan in "The Deserter" Patricia Collinge in "Polyanna," Billie Burke in "Intimate Strangers," and other stars before the footlights. Then he became a star himself in the title role of "Merton of the Movies," and rose quickly to fame.

"The Silent Watcher" is his most recent production, and Hunter announces he believes that in this tensely human domestic drama he has done the best work of his career. It is a First National picture and includes Hobart Bosworth, Aggie Herring, George Nicholls, DeWitt Jennings, Lionel Belmore, Gertrude Astor, Alma Bennett and other well known screen players in the cast.

Other features on the same program include the seventh thrilling chapter of "Days of '49" featuring Neva Gerber and Edmund Cobb; "Cut Loose," a comedy scream.

Midnight Frolics Furnish Movie Theme

"Night Life of New York," produced for Paramount by Allan Dwan, who made "Robin Hood," "Man-handled," etc., is the feature at the California theatre. Rod La Rocque, Dorothy Gish, Ernest Torrence and George Hackathorne are featured in the leading roles of the picture, which is an original screen story by Edgar Selwyn, the playwright-producer.

The story is one of John Bentley who failed both in making money in New York and winning the girl of his heart. He went west, made a fortune and married someone else, never getting over his grudge against the city, however.

The picture closes with Ronald now all fed up with Broadway, and now leaving for Clay City. But under

Backache Is a Warning!

Richmond Folks are Learning How to Heed It.

Are you miserable with an aching back? Then you should help your kidneys. Back ache is often the first sign of failing kidneys. Urinary troubles quickly follow. Neglected, there's danger of gravel, dropsy or fatal Bright's disease. Don't wait for serious kidney sickness. Use Doan's Pills, a stimulant diuretic to the kidneys, before it is too late. This Richmond resident tells an experience:

F. Roberts, deputy sheriff, 542 Tenth St., says: "I had an attack of kidney trouble and severe backache and soreness over my kidneys. My kidneys acted irregularly."

Doan's soon fixed me up in good shape, however, and rid me of the backaches. I have come to depend on them, if I have the least sign of kidney trouble, and they are sure to give me prompt relief."

Mr. Roberts is only one of many Richmond people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Roberts had—the remedy backed by home testimony—60 cents at all dealers. KEYS FINALLY TROUNCE FIREMEN

ALL DOPE UPSET AS KEYS TRIUMPH OVER FIREMEN

POOLE'S DOUBLE DRIVE IN FIRST STANZA WITH THREE MEN ON GIVES CARMEN SUBSTANTIAL START TOWARD ULTIMATE VICTORY

One of the greatest upsets in dope transpired before the unbelieving eyes of a small but select group of fans at First street park yesterday morning, when the fast Richmond Firemen's ball club by the score of 12 to 9.

It was anybody's game until the last man was out, although the car boys led all the way through. Taken all and all it was a close and hard fought game.

This was the fourth meeting of the two teams, the Firemen winning the first three. The trolley men got their revenge yesterday though.

The fire eaters have claimed the crown of champions in the city of Richmond, but if that is the case the crown was disturbed quite a bit in this tangle. According to Hoyle the Keys are now the champs.

The Keys outplayed and outbatted the Firemen throughout the game.

The carmen started in right in the first inning by scoring three runs, due to the good hitting of Poole. Three men were on bases and Poole drove a smashing double to right center and the three runners rought home.

Slim Nemith pitched a no-hit, no-run game until the sixth inning. After that he let down and the firemen got their nine hits and nine runs in the last three stanzas. The hits were pretty well scattered, nevertheless.

Hoagland, left fielder, also played some good ball. He made a running one-hand catch that would have meant three runs if it had not been for the Firemen used two pitchers, one lasting three innings before being

cracked out of the box. The other one, Mr. James Wright, the fast ball artist from the Kitty league, finished it and finished it right. Jiggs speed didn't bother the Keys much as they appeared to be out for blood and certainly got it. They got half a dozen runs off each of the twirlers.

This boy Poole put in a fine appearance yesterday. The Keys all declare that he has won himself a permanent home in the Northern Division of the Key System by the exhibition he gave.

Manager Purman will take his crew to San Leandro Sunday to play the cherry pickers of that city.

Following is the box score of yesterday's game:

SALARY CUT FACING RUTH

NEW YORK, Aug. 21.—A dispatch from Cleveland to the New York World today says that Babe Ruth, home run king, will not receive his salary of \$50,000 a year when his present contract expires and he signs a new one. A slump in his batting which now is under .250 for this season, will result in a reduction in his pay, says the dispatch.

When the present season sends Ruth will hike to the Canadian woods to get his legs into shape and try to recover his batting eye, thereby preventing the salary reduction, according to the dispatch.

"Manager Huggins and the Yankee officials," it says, "have talked matters over with the Bambino, and they did not mince any words in explaining to him that he would face a big cut in his salary unless he changed his tactics."

CHAMP STAKES CROWN TONIGHT

LOS ANGELES, Aug. 21.—The first honest-to-goodness 100 per cent championship fight since boxing was legalized in California will take place at Ascot Speedway, Los Angeles, Saturday night when Frankie Genaro defends his American flyweight title against Fidel LaBarba, a recent graduate from the amateur ranks.

The boys will step ten rounds or less and if LaBarba gets the referee's nod he will be hailed as the U. S. flyweight champion and have a better claim to the world's title than any other boy of his weight.

Reports from the south state that LaBarba will be close to an even money shot against the champion but this assertion must be for boosting purposes only. Genaro on his record like a five to one shot. In fact, it is no better than an even money bet that Frankie does not knock LaBarba kicking. Fidel is a nice kid, recently married and he has a competent manager in Geo. Blake but the suspicion lurks that George has been a bit too enthusiastic in this case and has over-matched his protegee. Western fans will be pulling for LaBarba but they will have their money on Genaro.

Dick Donald, the promoter has established a bad precedent in importing Harry Ertle to referee the affair. Harry is a good referee no doubt, but is a direct slap at western officials, when a Californian promoter sends to New Jersey for a third man. Incidentally this stuff of an eastern champion bringing his own referee does not listen good.

MISS EDERLE TO TRY AGAIN

BOULOGNE, Aug. 21.—Undeterred by her recent failure to swim the English channel, Gertrude Ederle will make another attempt. She has tentatively fixed the date in August 31 or September 1.

Jabez Wolfe, the American girl's trainer, has given way to "old Bill" Burgess, one of the men who has successfully negotiated the channel, and who trained Miss Lillian Harrison, the girl from the Argentine. During the next 10 days or more he will take Miss Ederle under his guidance, in the full belief that if conditions are favorable she will this time successfully swim the channel.

Miss Harrison may take the water along with Miss Ederle, for she has made up her mind to have a fifth try at the channel.

Ishka Helmy, the brawny Egyptian, will attempt a crossing Saturday or Sunday.

Berlenbach To Fight Delaney

NEW YORK, Aug. 21.—Under penalty of facing suspension, Paul Berlenbach, world's light Heavy-weight champion, was ordered by the New York boxing commission today to meet Jack Delaney of Bridgeport in a championship bout on September 11.

This action was taken after Dr. William H. Walker, the commission's physician, examined both hands of Berlenbach and said he found nothing the matter with them.

Berlenbach called off his scheduled match with Delaney on August 28, claiming he had injured his left hand.

A protest was filed with the commission against the Walker-Shade welterweight championship fight on September 21 by Tom McCord, matchmaker for the Queensborough Athletic Club, who declared the date conflicted with the regular fight night of his club. The commission did not allow the protest.

DUCHESS URGES BOXING TO SETTLE DISPUTES OF NATIONS INSTEAD OF WAR

The Duchess of Hamilton, wife of the premier peer of Scotland, declared recently that she would like to see boxing used for armies and navies to settle international differences. She made this statement after sitting at the ringside and seeing her son, the Marquis of Douglas and Clydesdale defeat the pet of the town of Bernonsey. The bout took place in the Bernonsey town hall.

ELEANOR MAY BREAK RECORD AT MONTE RIO

The world's 220-yard record will be in danger Sunday at Monte Rio when Eleanor Garatti, national 50-yard champion, will attempt to lower Hilda James' mark of 2:46 2-5 for the distance.

The San Rafael girl recently made the remarkable time of 2:43, but this was not official as she has competed in a tank that did not meet with the requirements of the Amateur Athletic Union.

Hilda Curtis, one of the best-known swimmers in this section, is expected to force Miss Garatti to the limit in this event, which will decide the championship of the Pacific Association.

The national champion will also compete in the 50-yard dash, which she would win handily. Other starters in this race will be Adrienne Gibson, Hilda Curtis, Helen Zabriskie and Bernice Phelan.

These races will feature the water carnival at Monte Rio, which will be brought to a close Sunday.

Basemen Take Foot From Bag Before Catch

John McGraw is worrying about the habit of first basemen in the big leagues taking their foot off the bag before they get the throw.

"It will cause them to lose an important ball game some day unless they watch their step," said the manager of the New York Giants.

"I mean that literally. They are stepping off the bag too soon. Often they step off it before they catch the ball. The get away with it, too."

"The umpires, seeing that they will get the ball all right, wave the runner out through force of habit and often turn away without looking to see if the basemen kept his foot on the bag an instant longer."

"We came near losing a championship one year when the umpire caught a first basemen doing this and called the runner safe."

"It is an easy habit to form because of the anxiety of the basemen to catch the ball and then get out of the way of the runner. I have seen it happen half a dozen times lately, and not once has the umpire called the runner safe."

Bankers Defeat Richard Radios For Title, 7-3

(Continued from Page One)

The "dark horses" of the league put up their usual game fight and made a contest of it throughout. Carl Richard had entered a team in the league that had been dooped to finish down around the bottom of the ladder, but the Radios proved the surprise of the circuit and wound up the season tied with the strong Mercantile Trust outfit.

SCORE IN FIRST

Wasting no time with preliminaries the Bankers started to work early yesterday and chased three runs across the platter in the first inning. Hansen opened the spasm with a double to right center field and was sacrificed to third by Daley. Austin followed with a single through short to score Hansen, and went to second when Burke followed suit with another single through the short patch. Elwood popped to Huzefka, but Lawson came through with a single to left field, scoring Austin and Burke.

The Radios scored their initial tally in the third frame when Dolan gained a life on Austin's error, went to third on Babst's sharp single to center, and spiked the rubber on Bradley's roller to short.

TWO IN THIRD

The Bankers added two more counters in the fourth round. After Schreuder had fanned, Cornell singled to center and went to third when Murray tumbled McCarron's long fly, the latter reaching second before the ball could be returned to the infield. Hansen struck out, but Daley delivered in the clutch with a single to center, scoring Cornell and McCarron.

Elwood's single, followed by Schreuder's double, accounted for a run for the winners in the fifth inning. The last Mercantile tally came in the seventh when Burke singled to left, advanced to third while Elwood and Burke were grounding out, Hecker to Bradley, and scampered across the platter on Schreuder's single to left center.

MURRAY HITS HOMER
Lefty Murray, Radio left fielder, connected for a long home run drive over the right field fence in the seventh inning for the losers' last tally.

Burke, Schreuder and Cornell started at bat for the winners, each slugging out two hits. Huzefka's Anderson and Babst, each connected for a pair of hits for the Radios.

Red McCarron had much the better of the pitching duel with Lou Babst, Radio pitcher, allowing but seven hits to Babst's eleven.

HECKER FIELDING STAR
The most sensational fielding performance of the day was turned in by Boyd Hecker, first-string catcher of the Radios until he was injured early in the season. Filling in at third base in the final inning Hecker made a great stop of Elwood's hard drive and threw the Mercantile first sacker out at first.

Immediately after the game the Mercantile club was presented with the handsome cup offered by the Draper and Maynard company as a prize for the winning team, and each member of the nine was presented with a gold baseball watch chain.

CROCKETT GRID SEASON STARTED

CROCKETT, Aug. 21.—The Crockett football squad, with about 50 players, started fall practice this week under the direction of Coaches Lenger and Shifflett.

Lenger an ex-Colorado tackle has taken over the line and claims to have as good a line to work on as there is. While Shifflett of U. S. C. will take care of the backs.

The squad is extremely fortunate in retaining most of last year's vets, and together with a sprinkling of players from some of the Western colleges.

The prospects are bright for a successful season. Last year's record of 11 wins and 1 defeat is expected to be beaten.

The schedule follows:

September 20—Martinez Legion at Martinez.

September 27—Vallejo Legion at Vallejo.

October 4—Woodland Legion at Woodland.

October 11—Antioch Legion at Antioch.

October 18—Army team at San Francisco.

FIREMEN TO TANGLE WITH OAKLAND NINE

Chief Cooper's firemen have become pretty brave since yesterday morning when they were humbled before the Richmond Keys.

They have now taken on one of the strongest, fastest, and best semi-pro clubs in the Eastbay region. This club goes under the illuminating title of the Southern, deriving that title from the Southern Roofing company of Oakland.

The Southern has tackled twenty teams in this district and have only been beaten twice.

The game will take place at First street park on Sunday afternoon at 2 o'clock. Jiggs Wright will be on the mound for the locals and Steve Huzefka will handle his slants.

Budget Control Chief Has Tilt With Ray Riley

(Continued From Page 1)

such and not as a state appropriation.

RILEY DIFFERS

State Controller Ray L. Riley recently held, however, that the language was such as clearly to appropriate the money from the state treasury and indicated that he would honor Highway Commission warrants upon it, if such were presented.

BRADEN ADAMANT

Braden's declaration that such warrants will not be drawn was definite today. Since no other State money was appropriated for primary highway construction though plenty is available for repair work, the commission will have to depend solely on Federal aid money to finance all new road building during this biennium.

CUTS FUND SHORT

This situation, coupled with Governor Richardson's veto of the Breed bill increasing the gasoline tax for new construction, leaves the highway commission virtually without State money for new roads. All money from bond issues of the past is either spent or obligated.

SEEK FEDERAL AID

Lacking State funds, the highway commission must admittedly look to Federal aid allowances for every cent of money spent on new roads between now and July 1, 1927. Highway officials declare such aid money at the outside, will not exceed \$10,000,000.

Income Tax List Open To Public

SAN FRANCISCO, Aug. 21.—John P. McLaughlin, collector of internal revenue for this district, announces today that the income tax lists are arranged in the order in which the returns were filed and persons may copy any name or amount shown on the lists, but cannot take possession of or use the lists for more than a reasonable length of time.

OPEN EVERY DAY

The lists will be accessible to the public from 8:30 a. m. until 4 p. m. during September, with the exception of Saturdays, when they will be closed at noon.

LONGER HOURS

Beginning October 1, the lists will be accessible from 9 a. m. to 12 noon on Mondays, Wednesdays, and Fridays each week. As the lists are not alphabetically arranged, it will be almost impossible to locate any specific party, but the serial number of any taxpayer's account will be given provided a written request is made for such information.

The amounts shown on the lists are the amounts declared to be due by the taxpayers when filing their returns and are subject to adjustment and revision by subsequent audit.

Ellingson Jury Awaits Charge

(By Universal Service)
SAN FRANCISCO, Aug. 21.—Dorothy Ellingson, 17-year-old accused mother slayer, will probably know her fate by tomorrow noon.

With the termination of the prosecution's arguments by Assistant District Attorney Harmond Skillen today court will recess until tomorrow, at which time Judge Harold Louderbeck will give last minute instructions to the jury.

GRASS FIRE SETS 3 POLES ON FIRE

Three electric light poles caught fire yesterday in the vicinity of Fourteenth street and Ohio avenue, as a result of a grass fire.

Chemical Company, No. 1 of the Richmond Fire department was detailed to the scene. The damage to the poles is said by Chief Cooper to be negligible.
